**Observers:-**

Following observed the drill in New Delhi District:-

1. Major Nanda Vallabh, Indian Army.
2. Sh. J. P. Yadav, Commandant, NDRF, 8<sup>th</sup> Battalion.
3. Smt. Preeti Baizal, NDMA
4. Dr. Angelie Quatra, Philanthrope (NGO)

The Emergency Operation Centre (EOC), was made operational at Disaster Management Centre, NDMC, Humayun Road, New Delhi.

The District Level Debriefing was conducted at 2:30PM at Disaster Management Centre, NDMC, Humayun Road, New Delhi under the Chairmanship of Deputy Commissioner (New Delhi). Following points were discussed:-

1. At the outset Deputy Commissioner (New Delhi) appreciated the efforts of all departments concerned and invited the observers and Dr. Brig. (Retired) B. K. Khanna, to give their views and observations regarding the Mega Mock Drill.
2. Brig. Khanna, emphasized that there is a difference between man made disasters and natural disasters as in case of natural disasters first responders take time to reach the incident site. He informed that during the drill Delhi Police, Civil Defence and NDRF performed very well. Further he added that during sounding of siren people were running and evacuating and DCH was not exercised. He further added that community has been sensitized about evacuation through this drill but they still need to know that after evacuation they stand at some safer place outside the building.
3. Sh. J. P. Yadav, Commandant, 8th Battalion NDRF, said that the drill was a success. And crowd control has not been a problem during evacuation as the people had already been informed about the drill. Further he added that Delhi Traffic Police did a great job by quickly creating space for emergency vehicles.
4. Mrs. Preeti Baizal, NDMA, congratulated everyone involved in the drill for its successful conductance. She raised a point that there are 2 objectives of Mock Drill:-
  - a) To measure the capability of ESFs and
  - b) To check awareness level of community

She added that the Emergency Operation Centre (EOC), at DMC, NDMC, Humayun Road was working very well and the hotlines were in place.

5. Dr. Angelie Quatra, thanked Deputy Commissioner (New Delhi) for making war level preparation for Mega Mock Drill. She further informed that all agencies were prompt and arrived in time at Khan Market Metro Station. However, the response of DMRC was very poor.
6. Sh. Omvir Singh, DCP, New Delhi District applauded and encourage the district administration for conducting Mega Mock Drill at no. of sites simultaneously. Further he added that for such a big exercise small things do not matter, we are atleast now aware what a major disaster could be and how we have to respond. He said that fully achieved the target of awareness, which is required urgently for community. He further, suggested that the message could be carried forward by discussing the disasters in peer group, in family, in departments and in offices. We will ensure that every community member is fully sensitized and has desire to be prepared. He informed that Delhi Police was lacking in 100 no. response which would be rectified as early as possible.

7. Major Nanda Vallabh, Indian Army informed the house that during the real earthquake the devastation would be much higher and we need to be prepared for that. He congratulated NDMA, DDMA (New Delhi) and Departments for their coordination and cooperation to make drill successful. He further, added that there was thorough professionalism in district administration to conduct the drill.

Some of the important lessons learnt are as follows:-

- (i) Need for State-of-the art emergency operation centres at district level with redundancy.
- (ii) Common communication system for all the stakeholders.
- (iii) State-of-the-art equipment and systematic inventory of resources.
- (iv) Need for adequate number of ambulances.
