(K S MEENA, IAS)
SPECIAL CEO (DDMA)

Minutes of Meeting of Delhi Disaster Management Authority (DDMA) held on June 02, 2020 at Raj Niwas under the Chairmanship of Hon'ble Lt. Governor/Chairperson, DDMA

1. A meeting of the Delhi Disaster Management Authority was held on June 02, 2020 at Raj Niwas under the Chairmanship of Hon'ble Lt. Governor to review the present health status in respect of COVID-19 in Delhi, status of Hospital Bed Augmentation, ambulances, health care facilities, etc. List of participants is enclosed.
2. At the outset, Chairman/Hon'ble Lt. Governor welcomed the members. Thereafter, Pr. Secretary (Health) made a detailed presentation where it was informed that up to 01st June 2020, there are total 20834 confirmed cases in Delhi out of which 8746 patients have recovered/discharged/migrated. It was further informed that Case Fatality Rate in Delhi is 2.5% as compared to the national average of 2.83%, recovery rate is 46%, doubling rate 12.8 days and test per million is 11449 as compared to the national average of 2838 tests per million.
3. It was further apprised that at present there are 6476 hospital beds, 432+ ICU beds, 342+ Ventilators beds and 3233+ Oxygenated supported beds in dedicated COVID hospitals. Pr. Secretary (Health) informed that 3 more hospitals have been earmarked with additional 1900 beds for COVID (namely GTB Hospital, Deep Chand Bandhu Hospital and SRHH Narela). The new hospital in Burari with 450 beds is expected to be operational by 2nd week of June. However, with the prevalent doubling rate and hospitalization rate nearly 30,000 dedicated COVID beds will be needed around July end.
4. Accordingly, for augmentation of hospital beds in private sector, Private hospitals with more than 50 beds have been allowed to increase bed capacity by 25% where 20% bed capacity is earmarked for COVID in these private hospitals. He further informed that 1170 beds are in the process of getting ready by linking hospitals to nearby hotels. Members were further apprised that various steps are being taken to improve the efficiency of CATS ambulance which includes fleet augmentation, redeployment of ambulances as per call frequency and increasing the number of phone lines by about 33% and setting up of alternate call center with scalable capacity of at least 100 call lines.
5. Members discussed and concluded that Health Department should continuously and closely review the capacity building of medical infrastructure and take all necessary steps to scale up the availability of oxygenated beds, ICU beds and ventilators in Delhi as per the projected requirement.
6. Further, Members expressed that it should be ensured by the Health Department that all the testing laboratories follow the due protocols prescribed by the ICMR, Ministry of Health & Family Welfare, Government of India and GNCT of Delhi

and also that the test reports are furnished within the time period prescribed by DDMA without fail. After detailed deliberations and keeping in view the seriousness of the matter in ensuring the effective management of the COVID 19 situation, it was unanimously decided that due action as per law should be taken expeditiously by the Department of Health and Family Welfare against the labs not following the testing protocol as well as against those responsible for the delay in reporting.

7. It was also directed that all concerned Agencies should comply with guidelines of Govt. of India on how to prevent the infection from further spreading. Members of the DDMA further advised all concerned authorities to communicate extensively with public about the COVID-19 for awareness and sensitization.

8. Thereafter, Pr. Secretary (Revenue) informed the members about the relief measures taken since last meeting of the DDMA held on May 14, 2020. It was informed that approximately 3 lakh stranded migrants have been sent to 16 states by 237 trains. Also, 638 buses have transported 12804 passengers to different states in the past few weeks.

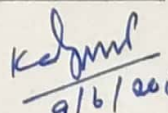

9. Hon'ble Lt. Governor and Hon'ble Chief Minister jointly launched the "Delhi Corona" App-Dashboard to help residents track the availability of hospital beds and ventilators for Covid-19 patients. This App also contains details of all COVID Centres, guidelines and important helplines to ensure well-being of residents and provides a single avenue to cater to all the needs and issues of the Delhiites during these tough times.

10. Members also ratified the following orders issued by Chairperson, SEC, DDMA since the last meeting of the DDMA held on May 14, 2020:
